Lead Magnet Delivery

BETA Lead Magnet Delivery is currently a beta feature. To cover excess bandwidth fees associated with this service or add additional restrictions, we might at some point charge for Lead Magnet Delivery on a metered (per gigabyte) basis. We will, however, notify you well in advance of any such fee structures.

Learn more about how do I send a "Lead Magnet" (<https://blog.leadpages.net/lead-magnet-delivery-send-free-report-white-paper-after-opt-in/>) (i.e. an "Opt-in Bribe," Free Report, Video Tutorial, or Any Other Downloadable File) to people who opt-in on one of my LeadPages™?.
